

Question	Answer															
Did United Way change its fiscal year?	No, but we did change our <b>funding year</b> . To give our Funded Partners more advance notice of funding awards (March), we pushed our funding year back by 3 months ongoing. Thus we will announce funding awards in March, but funding will not begin until July. Funding would continue thru June of the following year.															
We are a current Funded Partner but I am not sure if we were moved under Basic Housing Needs to receive continued funding.	Basic Housing Needs address one of the following issues: <ul style="list-style-type: none"> <li>• emergency assistance – utility, rent and mortgage assistance,</li> <li>• homelessness – shelters including domestic violence shelters;</li> <li>• housing support program – advocacy and homeless prevention</li> </ul> If you have further questions, please contact <a href="mailto:jodi.barnard@uwstark.org">jodi.barnard@uwstark.org</a> or 330-491-0445.															
Can one agency submit multiple LOIs because they have multiple programs? Or should all the variations be listed in one LOI?	If an agency provides the same program under the same priority at multiple locations, please submit one LOI. If one program addresses more than one priority, select the priority that most closely aligns with the program. If the agency would like to apply for funding for different programs that align under different priorities, please submit separate LOIs for each program.															
Will more than one person per agency be able to be working in this new system simultaneously?	Yes. The software allows multiple staff to be associated with an agency and/or program. Once you have created/updated your agency/programs, you will be able to access the applications at the same time and add additional contacts with individual logins/passwords. You will also be able to see who has been active in your application on the agency's e-CImpact home page.  <p>Letter of Intent Status</p>  <table border="1" data-bbox="467 814 1318 1031"> <thead> <tr> <th>Item (* indicates Required Item)</th> <th>Last Updated</th> <th>Status</th> </tr> </thead> <tbody> <tr> <td>*Test Agency</td> <td>10/6/2020 8:57 AM (CST)</td> <td>Completed / Ready to Submit</td> </tr> <tr> <td>Organization Information*</td> <td>Bob Smith 10/6/2020 8:57 AM (CST)</td> <td>Completed / Ready to Submit</td> </tr> <tr> <td>Childhood Test Program</td> <td>10/6/2020 11:32 AM (CST)</td> <td>Completed / Ready to Submit</td> </tr> <tr> <td>Program Information*</td> <td>Bob Smith 10/6/2020 11:32 AM (CST)</td> <td>Completed / Ready to Submit</td> </tr> </tbody> </table>	Item (* indicates Required Item)	Last Updated	Status	*Test Agency	10/6/2020 8:57 AM (CST)	Completed / Ready to Submit	Organization Information*	Bob Smith 10/6/2020 8:57 AM (CST)	Completed / Ready to Submit	Childhood Test Program	10/6/2020 11:32 AM (CST)	Completed / Ready to Submit	Program Information*	Bob Smith 10/6/2020 11:32 AM (CST)	Completed / Ready to Submit

Where can I access the Letter of Intent application?	The application link is available on our website <a href="https://www.uwstark.org/our-work/community-partners/rfp/">https://www.uwstark.org/our-work/community-partners/rfp/</a> under Important Documents and Links or navigate directly to <a href="https://agency.e-cimpact.com/login.aspx?org=37091F">https://agency.e-cimpact.com/login.aspx?org=37091F</a>															
Where can I find the instructions to sign onto e-CImpact?	The instructions are available in a pdf on our website <a href="https://www.uwstark.org/our-work/community-partners/rfp/">https://www.uwstark.org/our-work/community-partners/rfp/</a> under Important Documents and Links. A fuller instruction manual is located in the Resource Center in e-CImpact once you register your agency and program.															
If a program was funded under Health, could it move to Childhood Success or Youth Success?	Yes. When we uploaded current Funded Partners into our software, we selected a funding area for them for convenience. To change that, simply remove the Investment Priority and select the one that best suits the program.															
If we are changing our currently funded program, do we need to create a new program or apply under the existing program?	Programs from current funded partners were uploaded to e-CImpact as convenient placeholders. No data is connected to them.  If you are making small edits to program operations, please apply using the existing program name. If you are making wholesale changes in the program that will change the primary purpose of the program, create a new program in e-CImpact under the appropriate investment priority. You can rename your program as you choose.															
The last question is to provide a budget narrative – can you please clarify if you are just expecting a few sentences on how the money will be used or if you are expecting a budget with the actual dollar amounts.	We are just looking for a few sentences describing where you intend to spend it, i.e. we intend to use 80% of funding for childcare staff salaries and benefits, 10% for curriculum materials and 10% for healthy food for our clients and staff.
